PROFESSIONAL EXPERIENCE

BB&R | International Consulting — Salamanca, Spain

Data Analyst Intern | Jan 2026 – Present

- Architected a four-page interactive Power BI dashboard to visualize a global portfolio of 125 projects across 62 countries, integrating global KPIs and dynamic filters to enhance executive decision-making.
- Engineered a master database in Excel using 22 distinct variables per project, standardizing 19 years of institutional activity into a clean, searchable format.
- Conducted temporal and thematic trend analyses to identify primary funding sources (Erasmus+, Council of Europe, UNDP, USAID) and visualize the evolution of institutional interventions.

- Applied standardized taxonomies across nine strategic areas and integrated cross-cutting themes (Digital: 29%, Gender: 17%, Sustainability: 10%) to transform raw project data into actionable institutional intelligence.

WORLD VISION MÉXICO — Mexico City, Mexico

Policy Advocacy and Mobilization Analyst | Mar 2023 – Sep 2025

- Pioneered data-driven advocacy on children's rights, producing five high-level technical reports that successfully influenced national legislative agendas.
- Designed and executed large-scale social mobilization strategies to institutionalize youth and child participation in policy-making processes.
- Orchestrated multisectoral working groups with government officials and civil society leaders to strengthen child protection frameworks.
- Monitored legislative developments to ensure alignment with international human rights standards and data-backed best practices.

FUNDACIÓN CARULLA – aeioTU — Colombia / Mexico

Mobilization and Sustainability Professional / Consultant | Feb 2024 – Feb 2025 | Jun 2025

- Cultivated strategic alliances with government entities to integrate the "Learning through Play" methodology into formal public policy frameworks.
- Developed comprehensive knowledge management systems to secure operational sustainability and scalability of social impact projects.
- Utilized data analysis tools to evaluate communities of practice and optimize the social return on investment (SROI).

NATIONAL SEARCH COMMISSION (SEGOB) — Mexico City, Mexico

Technical Secretary | Aug 2021 – Jan 2024

- Spearheaded technical documentation and logistics for the National Citizen Council (CNC) during the UN Committee against Enforced Disappearances (CED) historic first visit to Mexico.
- Contributed to the structural design of the National Search Plan and the development of regulatory instruments for the General Law on Disappearances.
- Served as the primary technical liaison between the National Citizen Council, international organizations, and global cooperation agencies.

LOCAL OPEN GOVERNMENT SECRETARIAT — Durango, Mexico

Facilitator / Technical Secretary | Mar 2021 – Dec 2022

- Facilitated the collaborative co-creation of the Third Local Action Plan, ensuring transparent stakeholder participation.
- Provided technical expertise for the development and implementation of the State Anti-Corruption Policy.

MUNICIPAL YOUTH INSTITUTE — Canatlán, Durango

General Director | Sep 2019 – Jan 2021

- Directed institutional operations and established formal youth participation mechanisms while managing the annual institutional budget.
- Forged strategic partnerships to launch comprehensive entrepreneurship and mental health initiatives for regional youth populations.

DIF MUNICIPAL — Canatlán, Durango

General Director | Mar 2019 – Sep 2019

- Administered institutional resources and oversaw internal audits, improving social spending efficiency and service delivery.
- Supervised the design and evaluation of community-based projects with a focus on gender equity, rights, and social inclusion.
- Strengthened the local protection system for children and adolescents through enhanced inter-institutional coordination and case management.
